Honorable Morris K. Udall
House of Representatives
Washington 25, D.C.

Dear Mr. Udall:

Thank you for your letter of 25 August concerning one of your constituents who is interested in employment with this Agency.

The qualifications described in your letter are of interest to us, and we are enclosing a set of our application forms for your constituent's use. He should be advised that we require our regular employees to have been citizens of the United States for at least five years. The recency of his naturalization will narrow the scope of his possible employment.

I appreciate your writing to me about this man and want to assure you that an application from him would be welcome and would be carefully considered.

Sincerely,

SIGNED

Dear Mr. Udall:

Thank you for your letter of 25 August concerning one of your constituents who is interested in employment with this Agency.

The qualifications described in your letter are of interest to us and I am enclosing a set of our application forms for your constituent's use. We do not wish to discourage a new citizen in seeking an opportunity to serve our country but he should be advised that we require our regular employees to have been citizens of the United States for at least five years. The recency of his naturalization will narrow the scope of our consideration to other categories of employment.

I appreciate your writing to me about this man and want to assure you that an application from him would be welcome and would be carefully considered.

Sincerely,

C. P. CABELL
